Workplace safety and health continues to evolve, presenting safety professionals with challenges and opportunities. At ASSP’s signature conference and expo, Safety 2022, we connect you with industry expertise, a network of like-minded peers and the latest innovations.

Now is the time to reignite your passion for safety.

Learn From Industry Experts
With more than 200 sessions covering a wide variety of occupational safety and health topics, you can select the ones most relevant to you and your organization. Every session is peer-reviewed and brought to you by speakers who are grounded in real-world examples and solutions.

Share Your Experiences
Reconnect with your peers and foster new relationships. Exchange ideas through roundtable discussions, social events, online chat and more.

Get Hands On With Products
From More Than 450 Exhibitors
Innovation and excitement will dominate the expo floor at Safety 2022. Exhibitors are ready to help you find solutions that you can put to work right away. Exchange ideas with industry professionals who are as passionate about safety as you, and are committed to improving your safety programs.

Reconnect and Unwind at the Summer in the City Social
Monday, June 27 from 5:30 - 7 p.m. | Sponsored by Amazon

Enjoy fresh air and libations with fellow colleagues and friends. Proceeds from this event go to support the ASSP Foundation Career Development Grant program, which provides funding to OSH professionals and students to support their professional development costs. Purchase your ticket during registration checkout for $20.
CHALLENGE YOUR ASSUMPTIONS

The General Sessions give you the opportunity to pause, reflect and be inspired. This year we welcome two self-made storytellers and keynote speakers, Kevin Brown and Devon Harris. These keynote sessions will be a shared experience for our in-person and online attendees. These sessions will not be recorded, so plan to attend in-person or watch the livestream through the online event platform.

MONDAY MORNING
OPENING GENERAL SESSION

KEVIN BROWN | Bestselling Author of “The HERO Effect”

Kevin Brown’s unconventional path to business and personal success has taught him that winning in business and in life requires anything but conventional thinking. He grew up in Muskegon, Michigan where his blue-collar roots taught him the value of hard work and determination. With a streetwise aptitude and a never-quit attitude, he worked his way from the front lines in business to the executive boardroom.

WEDNESDAY AFTERNOON
CLOSING GENERAL SESSION

DEVON HARRIS | Three-time Olympian with the Original Jamaican Bobsled Team

Three-time Olympian Devon Harris knows the power and pain of overcoming inertia and pushing beyond. Raised in a violent ghetto in Jamaica, he could have allowed his environment to keep a chokehold on his life, but he learned how to push past the gangs and drugs by using the power of visualization to imagine greatness. His vision ultimately manifested in a life that took him from the ghetto to the prestigious Royal Military Academy Sandhurst in England, to becoming a three-time Olympian with Jamaica’s original bobsled team. It was Devon’s determined focus and persistent vision to achieve something greater that carried him farther than those who gave in to their destructive environment.

Need Help Deciding?

To help you evaluate which option is best for you, we’ve put together a chart that compares the features of each type of registration. For details, visit safety.assp.org and select to “Help Me Choose” under the Registration tab at the top of the site.

We also have templates, tools, and worksheets as a resource to help you plan and convince your boss you should attend.

We Remain Committed to Your Health and Safety

ASSP is committed to the health and safety of all attendees, exhibitors and staff. We acknowledge that both local regulations and CDC guidance may shift before our June event. Because these factors are frequently changing, we will continue to update the Safety 2022 website, safety.assp.org, as new guidance is developed.

Attend as a Team

Groups of 8+ attending Safety 2022 will enjoy access to all the same benefits as individual attendees, plus their organizations can save on registration. Attending as a group is also a great way to build teamwork, rekindle your team’s passion for safety and bring new ideas back to your workplace. Your team can attend as a group in person, online or as a combination of both!

Please contact Nancy O’Toole for details at +1 847-768-3466 or Notoole@assp.org.

Earn Additional CEUs with Pre-Conference Courses

Enhance your experience with one or more Pre-Conference Course offerings. Take a deeper dive on the topics that matter most to your career development. Plus, you can work towards earning an ASSP Certificate to further enhance your skills. You do not need to be a registered attendee of Safety 2022 to attend these courses. Additional registration fees apply and vary by course length and topic. All courses will be held at the Hyatt Regency McCormick Place, 2233 S Martin Luther King Dr, Chicago, IL 60616.

Career development grants are available for students or professionals within the OSH field who need financial support for conference attendance. Applications for ASSP Foundation professional education grants are accepted year-round, with awards made on a rolling basis, based on availability. Learn more at assp.org/foundation.
